Brief description of the proposed project:-

Rajpura-Bathinda Double Line project has been sanctioned by Ministry of Railways which is being executed by Project Implementation Unit Chd.-II of Rail Vikas Nigam Ltd. The Freight Loading site at the existing Tapa Station is required to be shifted to a new location for re-modeling of Tapa Railway Station.

The Engineering scale plan of Tapa Railway Station has been accordingly prepared by relocating the freight loading site towards Bathinda end to make the project feasible. Accordingly the land is to be acquired from KM 128.328 to 129.684 on left-hand side (up-line side).

The project area and the affected areas:-

Village/Town Tapa in Barnala District.

Date of Completion of SIA:-

Three months from the date of completion of commencement of SIA notification.
